Re: United States v. Anil Mangar,
15 Cr. 655 (RA)

Ronnie Abrams, U.S.D.J.
February 8, 2023

Dear Judge Abrams:

I write regarding the upcoming VOSR proceedings in the above-captioned case, currently scheduled for February 10, 2023. It is the parties' understanding that, on February 23, 2023, Mr. Mangar will appear in Bronx Criminal Court and execute a negotiated plea to disorderly conduct (in violation of NYPL 240.26) with a conditional discharge in satisfaction of the pending state charges, which are coextensive with the pending supervised release specifications. Accordingly, the defense requests, and the Government consents, to a 30-day adjournment to give the parties sufficient time to negotiate a commensurate resolution of the VOSR specifications.¹

I thank the Court for its time and consideration of this letter.

Respectfully Submitted,

Andrew John Dalack, Esq.
Assistant Federal Defender

AUSA Jared Lenow

¹ I also wish to advise the Court that my trial obligations in United States v. Saipov, 17 Cr. 722 (VSB) will recommence on Monday, February 13, 2023, for the penalty phase of Mr. Saipov's capital trial. The schedule will remain the same as the liability phase: Monday to Thursday, 10:00 a.m. to 5:30 p.m. I expect that the penalty phase will not conclude until at least the first week of March 2023.
